I would recommend this training to other agencies.	A	B	C	D	F
Overall grade of the training	A	B	C	D	F

In what ways could training events have been improved?

What was particularly good about the training events?

What was most helpful about the trainings? (please be specific)

What was least helpful about the training events and why? (please be specific)

Please give us feedback on the individual trainer(s) with whom you worked. Have they helped you to develop your skills and have they been able to help you fully understand the model?
