### Teen Unpredictable

**This week, do all your chores and one extra one that you don't normally do. This will totally shock your parents.**

### Teen Unpredictable

**One night this week, ask your mom or dad out of the blue if you can prepare or cook dinner for everyone.**

### Teen Unpredictable

**The next time your parent lectures or preaches to you, suddenly say, "Mom or dad, you are right. I am going to go do some homework now."**

### Teen Unpredictable

**Hug your parent and say, "I love you."**

**Teen Unpredictable**

**Leave little cards all over the house telling your parent all the things you appreciate about them.**

**Teen Unpredictable**

**Do homework or a chore without being asked.**

**Teen Unpredictable**

**Clean your room, and then invite your parent in for a tour of your “new and improved” living space.**

### **Teen Unpredictable**

**Make a collage for your parent about how much they mean to you (with pictures of your parent, pictures from a magazine, drawings, etc.) They probably haven't gotten this kind of art work from you since you were little.**

### **Teen Unpredictable**

**The next time your parent is watching his or her favorite show, pop them a bowl of popcorn (or fix them some other snack) and go sit down and watch the show with them.**

### **Teen Unpredictable**

**Bubbles of Love. The next time your parent looks down or sad, surround him or her with bubbles and say how much you love him/her.**
